The employees of the Dt Bd are one way or the other employees under Govt in different Departments, and as such the Dt Bd will have to refer the matter to the respective Departmental heads when a case of retirement of officers under them arises

Dated, Bangalore, the 11th June 1936.

At present the powers under Article 308 Mysore Service Regulation, viz, to permit non-gazetted subordinates to remain in service or to declare them to be inefficient on superannuation and compel them to retire, have not been delegated to any officer or officers in respect of the staff of the District Boards, and every case of retention or retirement of such officials has to come up to Government for sanction. The Comptroller having suggested that the said powers may be delegated to the District Boards subject to the approval of the Deputy Commissioners, sanction of Government being required to be taken for the retirement of officials who have not reached the age of superannuation, the Deputy Commissioners of Districts were consulted in the matter, and they are all in favour of the proposal except the Deputy Commissioner, Bangalore, who agrees to the proposal subject to the modification viz., that in the case of officials whose services have been lent to the District Boards, the powers may be exercised by such officers as would have dealt with them if they had been in Government service.

Government are pleased to direct that in respect of the staff directly recruited by the District Boards, the Boards be invested with the powers under article 308, Mysore Service Regulations, and that in respect of the officials whose services have been lent to the District Boards, these powers may be exercised by such officers as would have dealt with them, if they had been in Government Service.
